# FY 23 - 24

---

## **1 year** *in operation*

Our first year in operation has been more than a success. Each grant awarded has been received by nonprofits, driven by women.

## **over \$100k** *raised*

The awarded grants not only help in programs and operational expenses, they empower a larger population to thrive and succeed in their area.

## **2** *employees*

Katie and Jamie's combined years of expertise lends to the methodical and ethical process used in securing grant money and bookkeeping.

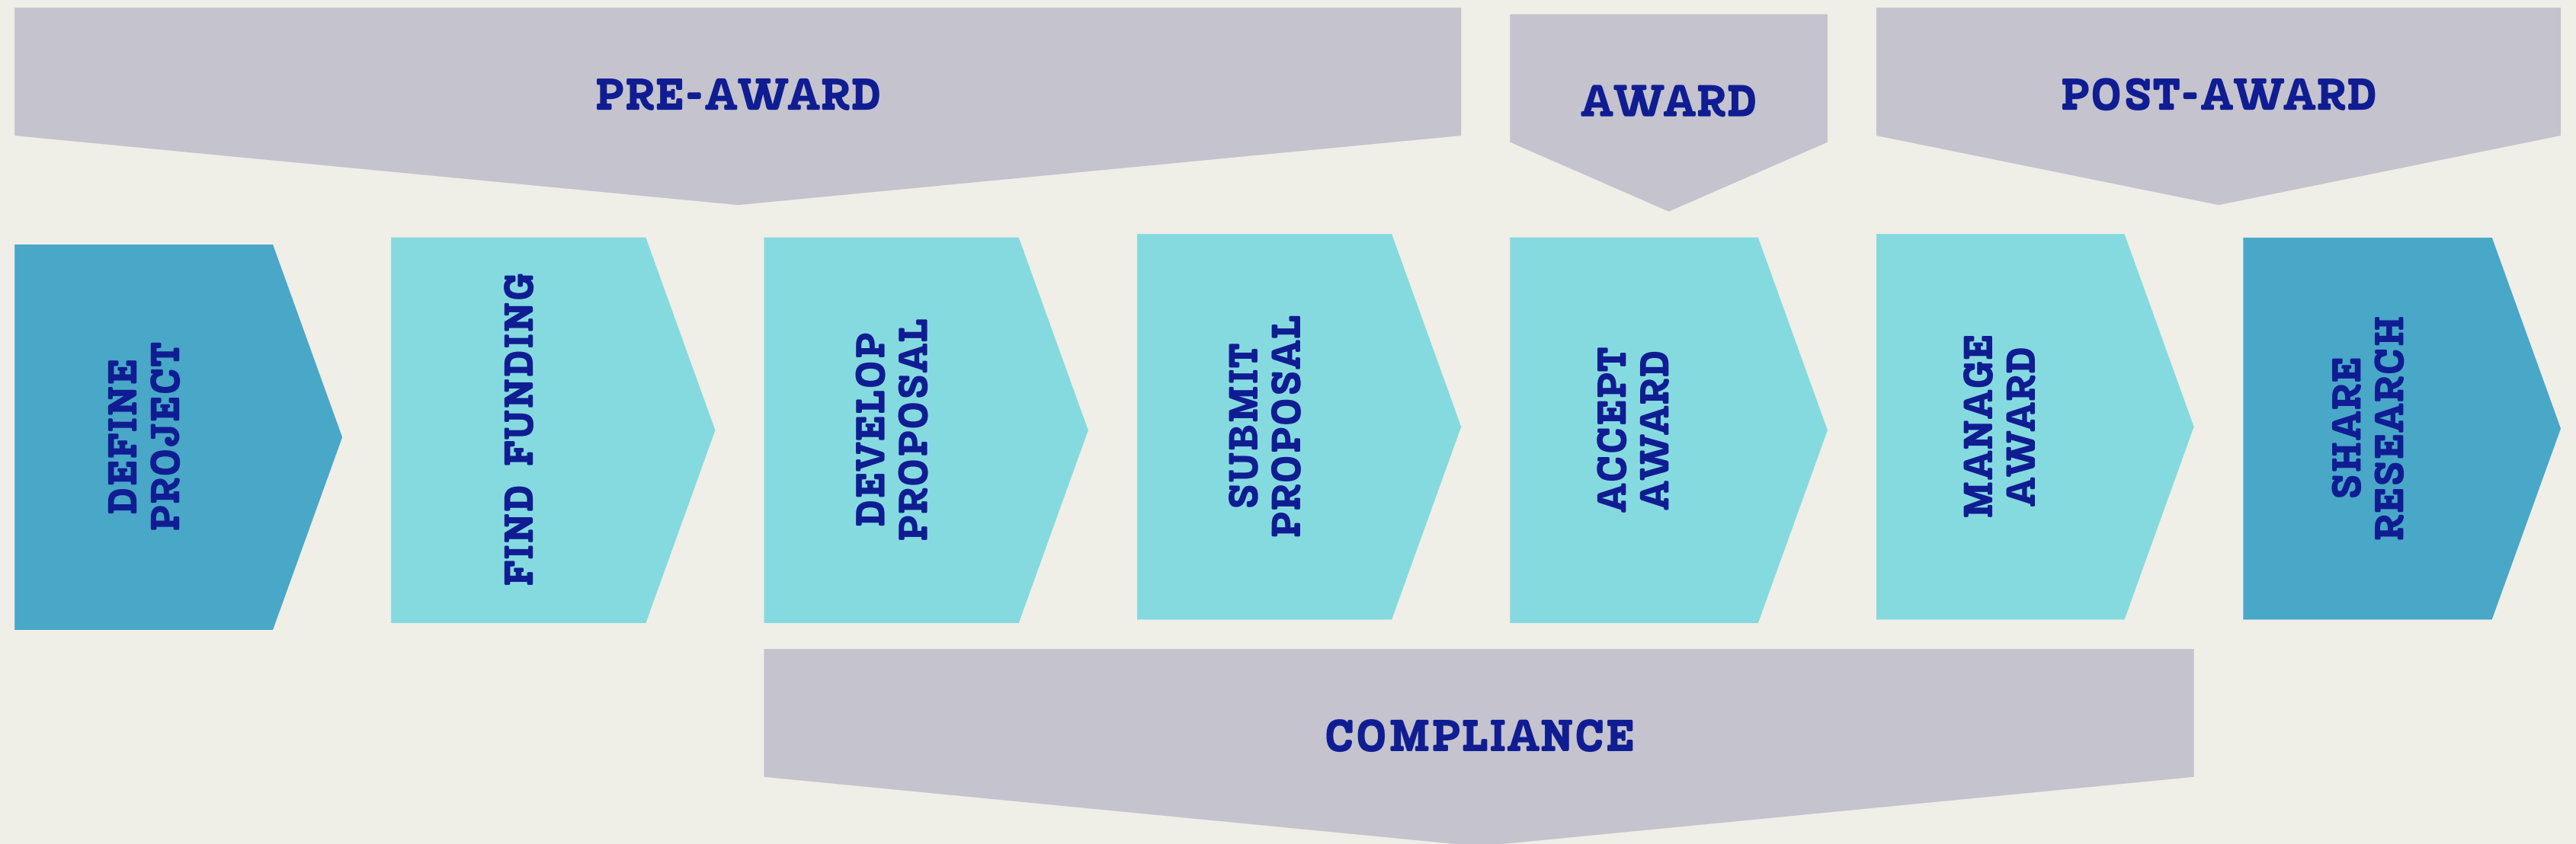

## **7** *nonprofits*

In the short span of a year, METHOD has cultivated numerous clients in efforts to narrow the inequity in wages and support nonprofits here in Teton County.
